Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The reply of 2-12-04 was directed to an invention that was considered by the Examiner to be a constructively non-elected invention, see the Office action of 5-18-04. As a result letter was sent out informing the Applicant of the constructive election of the originally filed claims, see the Office action of 5-18-04. During a telephonic communication on 11-09-04, Mr. Presta informed the instant Examiner that a divisional was filed and the Applicant had elected not to respond to the Office actions 2-12-02 and 5-18-04 within the instant application..
